

Dear Students,

Congratulations on your acceptance to Johnson State College. It is my responsibility as the Learning Specialist to inform all incoming students of the services Johnson State College provides for students with disabilities.

If you are a student with a documented disability, you may be eligible for coursework accommodations provided current and comprehensive documentation is presented.

**Disclosure of a disability is voluntary**; however, **it is encouraged** so students may **access accommodations** and services as soon as possible. A disability may include but is not limited to:

- Learning Disabilities
- Deafness or Hard of Hearing
- Health Impairments
- Psychological or Emotional Disabilities
- Attention Deficit Disorders (ADD/ADHD)
- Physical Disabilities
- Visual Impairment

**To disclose a disability, complete the form below and return this to me as soon as possible with your documentation.** Specific documentation is required to substantiate different types of disabilities and subsequent coursework accommodations. Please refer to the guidelines and necessary forms (if applicable) for specific disability documentation located on the JSC website.

If you have any questions, please contact Learning Specialist, Dian Duranleau, at 802-635-1259 or email [dian.duranleau@jsc.edu](mailto:dian.duranleau@jsc.edu). I look forward to working with you.

Sincerely,

Dian Duranleau, M.Ed, Learning Specialist
