

Administrative Support Services

Marketing and Printing Services

This office is responsible for supporting the production of internal and external publications, the college website, recruitment literature, press releases and advertising.

Conference and Event Services

This office provides planning assistance and coordinates facilities, equipment and services for all JSC and community groups and individuals holding special events and activities on campus during the academic year and in the summer.

Development and Alumni Relations

The office, in coordination with the Alumni Council, plans and directs all of the activities relating to the alumni association, including class reunions and the Fall Alumni/Family Day, admissions recruiting and fund raising. The office also publishes Johnson Views, which is distributed to alumni, parents and friends of the College. The office also supports the work of the Fund for Johnson State College, an advisory board to the president on philanthropy and community and corporate relations. A major part of each year's fund appeal is dedicated to scholarships for undergraduates.

Physical Plant Department

The department is responsible for providing maintenance, custodial, and janitorial services to all buildings and grounds of the campus. In addition, the department is responsible for establishing and maintaining all utilities, building systems, and grounds, The department is also responsible for initiating, planning and executing all construction and campus renovations, with the exception of IT services.

Department of Public Safety

The Office of Public Safety is here for the safety of all students, faculty and staff at Johnson State College. All public safety officers are trained and experienced in providing outstanding support to the Johnson State College community. We are fortunate to be living in a rural setting with less crime than other colleges, however, we are not crime free. It is the Public Safety Department's role to provide a safe environment for the entire community. In order to achieve this goal, it is vital that the community work together to prevent crime through education, cooperation, and by using safe practices and reporting anything that is suspicious or unusual to the Office of Public Safety.

A wide variety of safety and security training programs are available through the residence life staff and the Counseling Center. Information on current JSC policies relevant to criminal actions, campus law enforcement, training programs, policies, and campus crime statistics can be found on the Johnson State College Website.

Automobile Registrations

All students who operate a motor vehicle on College property must register that vehicle with the Public Safety Department. You will need to bring a copy of your motor vehicle registration to obtain a permit. There is a \$50 fee per year to register vehicles. For more information, please contact Public Safety at 635-1205 or visit the Johnson State College Website.

Student Identification Cards

Each student is issued an identification card free of charge through the Public Safety Department. Replacement cost for lost or stolen ID's is \$25.00.
