In order for Johnson State College to consider the acceptance of transfer credits from foreign institutions, students must have their post-secondary academic transcripts evaluated by an official foreign credential evaluation service. Students are responsible for paying for the credential evaluation and translations fees. A list of credential-evaluation services can be found at www.edupass.org/admissions/evaluation.phtml.

The Vermont State College (VSC) system maintains a single student-records system, course database and official transcript for all VSC colleges (CCV, CSC, JSC, LSC, VTC). Information and documentation provided by an applicant or a student, including high school and college transcripts, may be shared with any VSC institution to which an applicant or student applies or otherwise directs the information to be sent, or as may otherwise be permitted by law.
