## IMPORTANT INFORMATION ABOUT ONLINE CLASSES

For many students an online course is a new experience. Although flexible, the workload is often greater than courses in the classroom. You can expect to spend at least three hours a week online and an additional six to nine hours studying off line.

Online courses begin Tuesday, September 4. However, courses will be available on your JSC portal page by August 27. The syllabus — and in some

cases the course assignments — also are available at [www.jsc.edu/EDP](http://www.jsc.edu/EDP). See the previous page for information about obtaining your course syllabus.

To get started in your online course, log onto the JSC portal page with your user name and password at [myjsc.jsc.edu](http://myjsc.jsc.edu).

Click on the name of your online course, and you will enter the Moodle course site.

All students are registered in online courses using their JSC email address. If you need assistance logging into your JSC email account, go to the JSC Help Desk at <http://helpdesk.vsc.edu> or 802-635-1415.
