OFFICIAL JSC COMMUNICATIONS & OTHER FUNCTIONS ARE CONDUCTED PRIMARILY ONLINE.

JSC uses email to communicate official business to students. Upon registration, you will be provided a free JSC email account. It is your responsibility to stay up to date with email sent to your JSC email account. If you choose to forward your JSC email to another email address, you remain responsible for the contents of any official message, including attachments, sent by JSC. You also are expected to use VSC Web Services to access class schedules, unofficial transcripts and grade reports.

Within 48 hours of registering for a course, all students will have access to the portal, JSC email and VSC Web Services. (See box at right.)

As mandated by federal law, students who are U.S. citizens must provide their Social Security Number when registering for the first time. (This requirement does not apply to students enrolled in contract courses paid for by an external entity.) Your SSN is closely guarded and kept in strict confidence by the Vermont State Colleges.

Many instructors use the online portal system to post assignments and supplemental course materials. If you are taking online or hybrid courses, you may be required to regularly access the course through the portal (Hybrid courses are courses that are conducted partly online and partly in class.)

ACCESSING THE PORTAL, EMAIL & VSC WEB SERVICES

Before you can access the portal, JSC email and VSC Web Services, you must activate your account. This should be done before the semester starts.

If you experience difficulties accessing your account, submit a request for assistance to the Help Desk at <http://helpdesk.vsc.edu> or call 802-635-1415.
