# *Important Information Regarding Your Online Class*

---

In preparation for your success in the online course(s) for which you are registered, we want to share some helpful information.

For many students an online course is a new experience. Although flexible, the workload is often greater than courses in the classroom. You can expect to spend at least THREE hours a week online and an additional SIX – NINE hours studying off line.

Online courses begin Monday, August 31. However, your course will be available on your portal page by August 24. The syllabus and in some cases the course assignments are also available at [www.jsc.edu](http://www.jsc.edu). See information previous page about how to obtain your course syllabus.

To get started on your course, log into the JSC Portal Page. (If you have trouble contact JSC Information Technology (IT) for assistance at [helpdesk@vsc.edu](mailto:helpdesk@vsc.edu) or call 1-800-635-2356 Ext. 1415.) All the courses for which you are registered should appear on your Portal Page. Click on the name of your online course and you will enter the Blackboard site

for this course. You will enter by way of the Announcements Page. To the left are buttons that direct you through the class. You should enter each of the different areas to familiarize yourself with the site. Much of your online work will be in the Discussion area.

#### **Directions for logging into portal:**

[Http://blackboard.vsc.edu](http://blackboard.vsc.edu)

Log in with user name and password. This will bring you to the JSC Portal Page. Please familiarize yourself with the page and all the options available.

Make sure that your JSC email address is your address in Blackboard. Do NOT change your email address in Blackboard to a personal email address. Your JSC email account is the official email address that the faculty and other parts of the College use to contact you electronically. If you miss important information because you've changed your address in Blackboard, neither the College nor EDP is responsible. Also, note that periodically during the semester the system is refreshed and all email addresses revert to

the JSC email address.

**Please note: All students are registered in online courses using their JSC email address. If you need assistance logging into your JSC email account, contact [helpdesk@jsc.vsc.edu](mailto:helpdesk@jsc.vsc.edu).**
